Alford: Women's Rights

NOTES FOR WOMEN

For the work of a day,
For the taxes we pay,
For the laws we obey,
We want something to say.

Ahia Alford 11-14-18

Because
women's work is underpaid
or unpaid

what we look like is more important
than what we do

if we get raped it is our fault

if we want to get married we are out
to trap a man.

if we don't we are unnatural

if we love women it's because we
can't get a man

if we stand up for ourselves we are loud

if we don't we are typical weak females
for these and for many more reasons

We are

FEMINISTS

True, the movement
for women's rights
has broken many
old fetters, but
it has also
forged new
ones.

Emma
Goldman

Sojourner Truth
(1787 - 1883)

If women want any rights
more than they's got, why
don't they just take them,
and not be talking about it.
