A BRIEF HISTORY OF KAPPA LAMBDA OMEGA CHAPTER  
of ALPHA KAPPA ALPHA SORORITY, INC.  
(1975-2012)

Alpha Kappa Alpha is the first Greek-lettered sorority established and incorporated by African-American college women. The sorority was founded on January 15, 1908, at Howard University in Washington, D.C., by a group of twenty students, led by Ethel Hedgeman Lyle. Forming a sorority broke barriers for African-American women in areas where little power or authority existed due to a lack of opportunities for minorities and women in the early 20th century. Alpha Kappa Alpha was incorporated on January 29, 1913.

The Sorority consists of college-educated women of many diverse backgrounds from around the world, including, but not limited to, African, Caucasian, Asian, Native American, Hispanic and Indian descent, the sorority serves through a membership of more than 250,000 women in over 900 chapters in the United States and several other countries. After the organization's establishment over a century ago, Alpha Kappa Alpha has helped to improve social and economic conditions through community service programs. Members have improved education through independent initiatives, contributed to community-building by creating programs and

associations, and influenced federal legislation by Congressional lobbying through the National Non-Partisan Lobby on Civil and Democratic Rights. The sorority works with communities through service initiatives and progressive programs relating to education, family, health, and business.

Kappa Lambda Omega Chapter, a graduate chapter of Alpha Kappa Alpha Sorority, Inc. is a remarkable service organization located in Nashville, Tennessee. On January 25, 1975 this second graduate chapter was chartered at Meharry Medical College. Upon consideration of chartering a chapter on Meharry's campus, it was stated that..." A chapter here will undoubtedly be of benefit to the national reputation of our sorority as these professional women will carry into their communities the high scholastic and ethical standards which Alpha Kappa Alpha Sorority promotes."

With the help of Alpha Delta Omega Chapter of Alpha Kappa Alpha Sorority, Inc. With special mention and recognition to Ms. Lillian Dunn Thomas and Ms. Donzaleigh Patterson, both members of Alpha Delta Omega and to Ms. Ernestine Holloway, past Southeastern Regional Director, who did the ground work for the chapters chartering.

Today, Kappa Lambda Omega Chapter has over 140 members. The composition of the chapter can be found in our known characteristic ability for nurturing and welcoming recently graduated members as well as new members to the city of Nashville. The chapter has an uncanny commitment to mothers with younger children and Meharry Medical College students that are members are still actively engaged with this chapter.

While providing "Supreme Service to all Mankind" Kappa Lambda Omega continues to support the Nashville community by providing programming that concentrates on Health, Finance, Family, Social Action and Education. The Chapter proudly collaborates with other organizations such as the Tennessee Special Olympics, YWCA, Boys and Girls Club, Second Harvest Food Bank, Tennessee Environmental Council, Meharry Wives Club, and the Oasis Center.

Kappa Lambda Omega Chapter also sponsors fundraising activities to support the programming that we provide as well as the scholarships that we give out annually. These activities include the Little Miss AKA Pageant (LMAKA), The Pink Chablis and Spring Fashion Shows. Within the last year alone the chapter awarded over 15,000 dollars in scholarships to deserving

Nashville High school seniors. Funds generated also provide support and research dollars for: American Diabetes Association (ADA), American Heart Associations (AHA), Meharry Medical College, Tennessee State University, Fisk University, Vanderbilt University, American Cancer Society (ACS), Heifer International, and the March of Dimes.
