Alpha Kappa Alpha Sorority, Inc. was the first Greek-lettered organization established by Black college women in America. Led by Ethel Hedgeman Lyle, Alpha Kappa Alpha Sorority was founded on January 15, 1908 at Howard University in Washington, D. C. Its purpose is —to cultivate and encourage high scholastic and ethical standards, to promote unity and friendship among college women, to study and help alleviate problems concerning girls and women, to maintain a progressive interest in college life, and to be of service to all mankind. Alpha Kappa Alpha Sorority, Inc. was incorporated on January 29, 1913 to ensure perpetuity. It has grown from one undergraduate chapter in 1908 to an international organization consisting of 352 undergraduate chapters and 551 graduate chapters totaling over 250,000 college-trained women from around the world by June, 2008. Its membership consists of women of distinction and exemplary character who excel in scholarship, leadership and service. Alpha Kappa Alpha Sorority, Inc. is the epitome of service, sisterhood, class, grace and finer womanhood.

Alpha Delta Omega Chapter, a graduate chapter of Alpha Kappa Alpha Sorority, Inc. is a prominent service organization located in Nashville, Tennessee. As a result of the 1926 Boule ruling requiring graduates and undergraduates to become separate chapters, Alpha Delta Omega was separated from Pi Chapter of Fisk University. It was organized on October 9, 1927. The charter was signed by National President, Pauline Puryear, in December, 1927. Since its chartering, the Alpha Delta Omega Chapter has played an integral part in providing a variety of social, political, economic and cultural services to the residents of Nashville and the surrounding communities.

In its quest, —to become supreme in service to all mankind the Alpha Delta Omega Chapter engages in various community service projects, health initiatives and literacy programs. It also funded scholarships, sponsor educational and cultural projects to strengthen families and enrich the community. Through collaborative efforts with such

organizations as the Boys and Girls Club, YWCA, The Urban League and Second Harvest Food Bank, the Alpha Delta Omega Chapter has greatly advanced towards becoming —supreme in service.

Today, Alpha Delta Omega Chapter boasts almost 350 members and owns its sorority house, The Ivy Center of Nashville. It was built on three acres of land in Northeast Nashville purchased by the sorority. Through an aggressive giving program, the mortgage was burned after only five (5) years. In addition to holding its sorority meeting there, the building also serves the community as a place to host social activities, public workshops, seminars and tutorial classes.

The Ivy Center Foundation of Nashville, Incorporated, the charitable arm of the sorority, was incorporated May 19, 1987. It sponsors fundraising activities such as the Biennial Precious Pearls Cotillion and in the past, the Johnella H. Martin Emerald Ball. Money raised from the Cotillion provides scholarships to deserving college-bound high school seniors. Funds generated from the Emerald Ball provided financial support for the Sickle Cell Program at Meharry Medical College. Other organizations which receive charitable donations include: Fisk University, Tennessee State University, American Baptist College, Meharry Hubbard Hospital, Opportunity Industrialization Center (O.I.C.), Job Corps and the United Negro College Fund.

**Part II:**  
**Scope and Content**

The Alpha Delta Omega Chapter Archives Collections, Part II contains the historical records of the Alpha Delta Omega Chapter of Alpha Kappa Alpha Sorority, Inc. It was deposited on December 21, 2009 and comprises less than 1.0 linear foot of material. The bulk of the Part II consists of more recent Policy Documents, Publications and Media materials.

With the deposit of Part II, Alpha Delta Omega Chapter donated, *Pearls of Service: The Legacy of America's First Black Sorority, Alpha Kappa Alpha*, by Earnestine Green McNealey, 2008; the most recent history book and *Past is Prologue-The History of Alpha Kappa Alpha*, by Marjorie H. Parker, 1999 to the Special Collections and Archives Department of Tennessee State University in appreciation of their willingness and effort to train the chapter's Archives Committee in archival procedures and practices and for allowing them to codify Part I of the archives. These books, once catalogued, will be housed on the shelves in Special Collections and Archives.

The Series for this deposit is as follows: Part II, Series 1: Policy Documents; 2: Publications; Series 3: Chapter Functions/Events/Property; Series 4: Media, and Series 9: Restricted (for sorority use only) that includes Operational Records and Proceedings Minutes/Reports. The quantity of documents/materials deposited was purposefully restricted this year so as to devote more time and attention to processing the initial deposit so that they would become available for public use.

The Alpha Delta Omega Chapter Archives Collections is an open-ended collection with deposits occurring annually in December.
