Alumni Induction

Graduates Standing

The Alumni induction in which you are about to take part represents the most sacred of your final moments at Tennessee Agricultural and Industrial State University. We ask that you participate in the litany with reverence and thoughtfulness; and with an increasing awareness of your personal involvement in the future life of the University.

ALUMNI PRESIDENT: Dean Jackson, it is my pleasure to present the August, 1968 graduates, who are eligible for membership in the Alumni Association.

DEAN JACKSON: Know ye that the privilege of having been nurtured in the spirit of those who gave their lives in service at Tennessee Agricultural and Industrial State University is among the highest that can come to mankind.

GRADUATES: We shall remember that we are recipients of a great and precious heritage.

DEAN JACKSON: Know ye further that you have been trained by men and women who have passed on to you the very best that time and experience have given to education; and that you do well to remember their dedicated service.

GRADUATES: We are the recipients of a great and precious heritage. We shall achieve leadership through excellence.

DEAN JACKSON: It is intended that man shall not live alone, but that each shall find a true measure of happiness in the pursuit of group ideals. Each is responsible to the other and to all for the ideals that distinguish the group. Be it so, then, that the coming years will find you united in your love for your Alma Mater as you know it, and the greater one you can help it to become.

GRADUATES: We shall strive to do only those things which insure dignity, honor, and achievement for our *Alma Mater*. We entered to learn; we depart to serve.

ALUMNI PRESIDENT: Graduates, raise your right hands. Do you solemnly swear to uphold the program of the Tennessee Agricultural and Industrial State University Alumni Association with your talents, your time, and your contributions?

GRADUATES: We solemnly dedicate ourselves to the program of Tennessee Agricultural and Industrial State University Alumni Association.

ALUMNI PRESIDENT: Will you take care to see that your Alma Mater is informed always of your personal and professional successes?

GRADUATES: We will take care so to do.

ALUMNI PRESIDENT: For what will you strive?

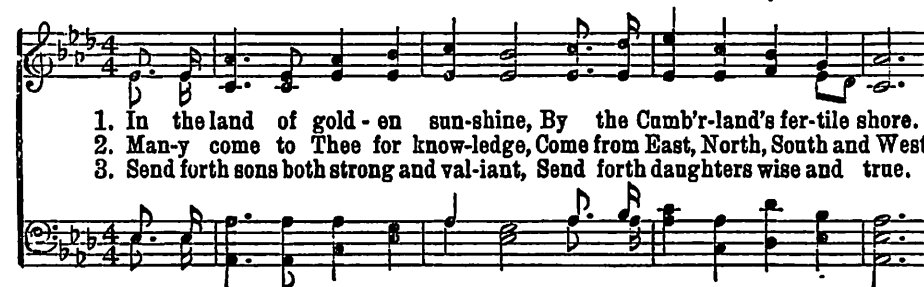

GRADUATES: We shall strive for leadership through excellence

ALUMNI PRESIDENT: By the authority vested in me as President of the Tennessee Agricultural and Industrial State University Alumni Association, I accept you to full membership on behalf of the Association with all the rights, privileges, and duties appertaining thereto.
